

You have become a MEAL officer?

- What is meant by this task?
- Which ingredients do you need?
- What kind of tools will help you?
- How to avoid being torn between the field and management?

(September 20 - 22, 2022)

Your Menu:

Monitoring: How to organise data collection and analysis?

Evaluation: How to prepare external evaluations? How do TORs look like?) What about internal evaluations? What are standard evaluation criteria?

Accountability: Being accountable to donors and other stakeholders. Which ones and how?

Learning: How to organise internal learning?

Your Take-away: Proven tools and checklists/guiding questions

Practical exercises and exchanges among peers will give you some practical
